

READY FOR LAUNCH

This program gives you the opportunity to validate all the prerequisites for hypergrowth: good local basis, sound finances, uniqueness of the offer, solid but flexible organizational foundations.

To participate in this program, you need to have completed the Check'up phase in which you confirmed your business model.

« Brest's Village by CA is definitely one of the most efficient structures for providing tangible assistance to its members, whether through its prospect-targeting network or its team that has supported us in communications, influence and the search for new markets.

Christophe Messenger, CEO EXWEXs

● THE PROGRAM'S OBJECTIVES :

Once the CHECK'UP step has been completed, we will support you in using all your strengths to bring about your own growth :

- Creating ultra-optimized processes that can be easily copied and quickly communicated to your new collaborators and clients
- Anchoring your brand in people's minds
- Defining the various levels of your growth and their performance indicators in order to guide your decisions
- Entering competitive international markets
- Reinforcing your team
- Staying passionate about your start-up

● VILLAGES BY CA COMMUNITY :

By participating in the Village's acceleration program, you become a member of the Villages by CA community and can benefit from all its advantages.

Visibility :

- Enrollment in our referencing tool, accessible to all Village by CA network start-ups and partners
- Integration into the Village by CA Finistère's communications

Qualified linkages :

- Favorable contacts with the network's French and European companies and start-ups
- Participating in themed Business Connect events organized by the Villages network
- Outreach for and solicitation of calls for tender and project submissions in the Villages network

Events :

- Access to the list of national events with exhibition opportunities
- Access to the list of monthly events organized by the Village by CA Finistère
- Access to the Brest Village's meeting rooms, subject to availability

Accommodations (optional): €55 PT / workstation / month

A workspace in the Village by CA Finistère offices, with 24/7 badge-restricted access

● SELECTION PROCESS :

- Contact us through the start-up form to receive your application file
- Send in the completed file
