« What makes the Village : its team, its support, its events and the linkages with partners.

Javier Franco Contreras, CEO Watoo

« Its comprehensive infrastructure allows us to take advantage of feedback from other entrepreneurs' experiences and naturally creates opportunities, which is everything I could ever want from an accelerator.

Maxime Olivier, CBO Sekoia

« I'm super happy to have accommodations in Brest's Village by CA! The Village is well located at the Ateliers des Capucins. Its offices are spacious and the Village team is always available to answer any questions we have. The bonus: I've got 24-hour access and there are meeting rooms available.
